FRESNO CHAFFEE ZOO TO HOLD ANNUAL ICE-THEMED ANIMAL ENRICHMENT DAY

Fresno, CA – Fresno Chaffee Zoo is excited to announce that Cool Zoo, the annual ice-themed animal enrichment day, will be held on Saturday, July 14!

Animals throughout the Zoo, such as lions, rhinos and orangutans, will enjoy a variety of icy treats and opportunities to cool off! For the second year, ice for Cool Zoo was generously donated by Arctic Glacier. This event is free with regular Zoo admission.

“We look forward to this event every year,” said Amber Talley, lead zookeeper of enrichment at the Zoo. “Although enrichment is something that we provide our animals with every day, we really enjoy being able to use this annual event to educate our guests about the care that the animals receive. It’s also really fun to watch them enjoy some ice-themed treats!”
