

Ocean Habitat

PRE-K • TK • KINDER

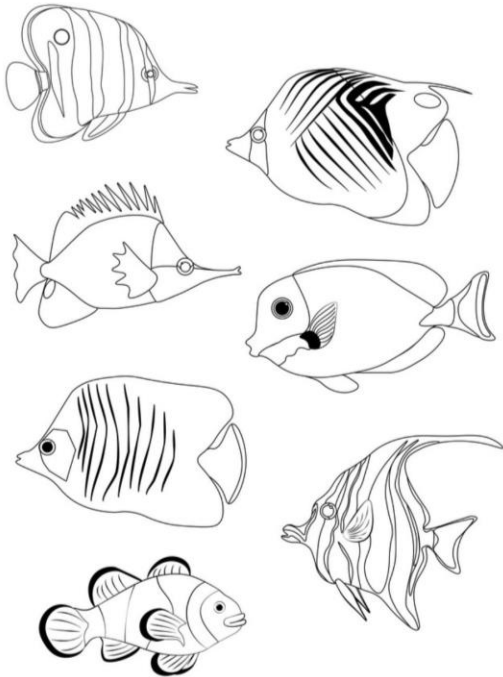

WORKSHEET

Extended Learning Partnership

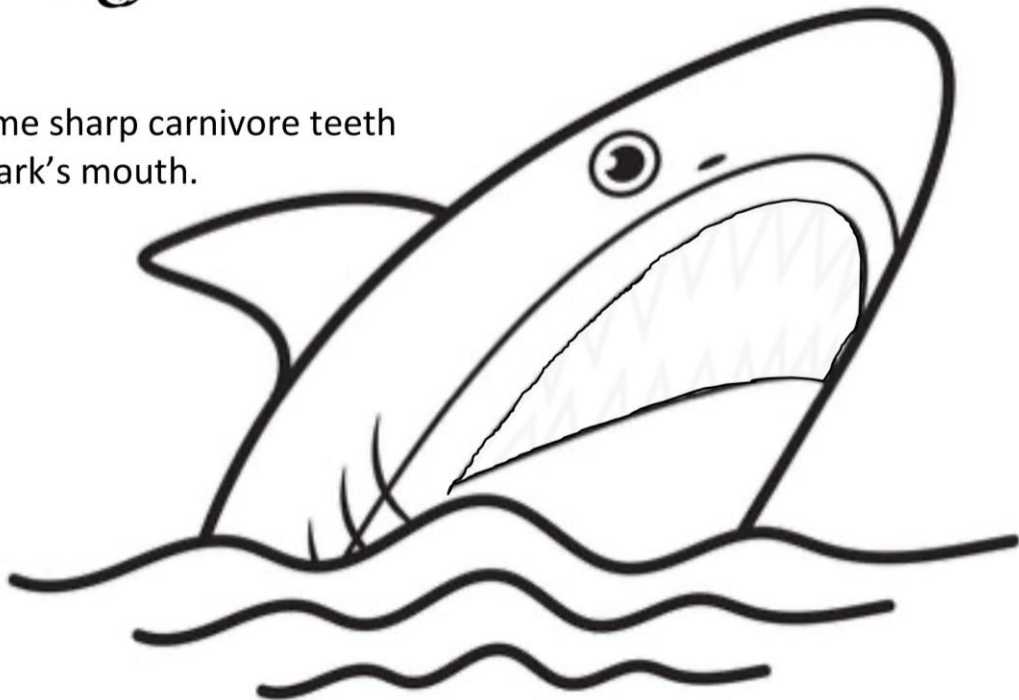

Oceans

A group of fish is called a school. **Color 3 fish blue and 4 fish yellow.**
How many fish are there all together in this school of fish?

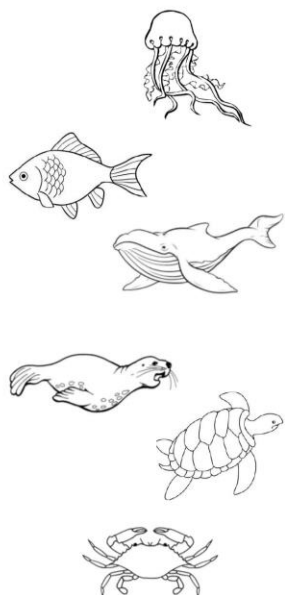

$$\begin{array}{r} 3 \text{ fish} \\ + 4 \text{ fish} \\ \hline = \underline{\quad} \text{ fish} \end{array}$$

Draw some sharp carnivore teeth in the shark's mouth.

Oceans

Match the ocean animal with the beginning letter sound.

- T turtle
- F fish
- S seal
- C crab
- J jellyfish
- W whale

Connect all of the dots from A to Z to make a special carnivore that lives on the coast of California.

 California

 Sea Lion
