STATEMENT REGARDING FRESNO CHAFFEE ZOO'S NEW FRONT ENTRANCE

FRESNO, CA — On Wednesday, March 25th, the Fresno Chaffee Zoo Authority Board approved the pre-design for the new front entrance. This project will add more parking and improve the guest experience with a more streamlined entry system. The new entrance is in the initial phases of design and will continue to evolve to better meet the needs of both our guests and our staff. All official updates on this project, and how you can support, will be released on the Zoo's social media channels and website.
