

At times, there are areas of the Zoo that are undergoing construction. We may add additional Headphone Zone signs around these areas as needed.

The map illustrates the layout of the Valley Children's Healthcare Safari Park, featuring a variety of animal enclosures and event venues. Key areas include:

- African Adventure:** Home to giraffes, ostriches, and other African wildlife.
- Zoorassic Park:** Features dinosaurs and prehistoric animals.
- Butterfly Garden:** A dedicated area for butterfly viewing.
- Canopy Grove Event Venue:** A large outdoor event space.
- Jambo Hut:** A central building, likely a restaurant or information center.
- Kudu Café:** A dining area with a view of the park.
- Kopje Lodge:** Another event or dining venue.
- Stingray Bay:** A waterfront area with a presentation by Noble Credit Union.
- Birds of Prey Aviary:** A large enclosure for birds of prey.
- Conservation Action Center:** A building dedicated to conservation efforts.
- Roo Walkabout:** A walking path through the park.
- Rainforest Lawn Event Venue:** A large outdoor event space.
- Tropical Rainforest:** A lush area with various tropical animals.
- Longvek Marketplace:** A market area for visitors.
- Kingsdoms of Asia:** A section featuring Asian wildlife.
- Lemur Lawn Event Venue:** A smaller event space.
- Wildness Falls:** A scenic area with waterfalls.
- DINO DIG:** A dinosaur-themed activity area.
- Jungle Bungalow Party Pavilion:** A pavilion for parties and events.
- Safari Café:** A dining area with a safari theme.
- Sea Lion Cove:** A waterfront area with sea lions.
- Reptile House:** A building dedicated to reptiles.
- Wolf Woods:** A wooded area with wolf enclosures.
- Australian/Asian Aviary:** A large aviary for Australian and Asian birds.
- Zoo Entrance:** The main entrance to the park.

The map also includes various icons for families, accessibility, and other facilities, as well as a 'CLOSED' sign for the Tropical Rainforest area.
