WHAT: Join Fresno Chaffee Zoo in celebrating Thando and Davu both turning two this August! For the last two years, the calves have brought joy to both Zoo staff and guests alike. When they were born, they were 200 pounds, and today they have grown into strong, healthy elephants that weigh 1500 pounds! You can see more on how the calves have grown on the Zoo's social media channels. To celebrate their birthdays, you can get a special edition virtual adopt package for a limited time only.
