FRESNO, CA — Take part in Fresno Chaffee Zoo's Week for Wildlife, five days dedicated to making a meaningful impact for animals and conservation. Throughout the week, every dollar raised will directly support the Zoo's mission to inspire people to care for animals, create connections, build community, and save wildlife. Thanks to the generosity of Mendy Laval and Khaled Alkotob, every dollar raised will be matched dollar for dollar, up to $25,000.

Week for Wildlife takes place from Monday, June 1st to Saturday, June 6th and the community can tune in on the Zoo's social media to follow along. Each day of the week highlights a vital area of the Zoo's work, from animal nutrition and veterinary care to conservation and enrichment. On Saturday, June 6th, celebrate at the Zoo with a special day of animal enrichment demonstrations. Your support helps ensure a thriving future for wildlife at the Zoo and around the world.
