**FRESNO, CA** — Celebrate the magic of the holiday season at ZooLights, where the Zoo transforms into a dazzling display of thousands of twinkling lights! Stroll through spectacular holiday displays, enjoy holiday treats and hot cocoa, and create lasting memories with photos alongside Santa Claus.

New this year, experience Snowball & Flurry, a holiday show that brings even more festive cheer to your evening with music, animations, and castles! Opening night is November 19th and ZooLights will run on select evenings from November 2026 to January 2027.

On two exclusive dates, November 29th and December 10th, the Zoo welcomes furry friends to join the festive fun! Sniffari Night: ZooLights Edition allows guests to bring their well-behaved, leashed dogs with them to explore the Zoo and meet Santa Claus.

For a VIP ZooLights experience, guests can book a private igloo perfect for a birthday, date night, or other special occasion. ZooLights is the perfect holiday tradition for families and friends to celebrate the season together. Find the date that works best for you and purchase tickets online today at fcz.org.
